Supporting Clients Across the Globe

White & Case is a leading global law firm with lawyers in 38 offices across 26 countries.

We advise on virtually every area of law that affects cross-border business and our knowledge, like our clients' interests, transcends geographic boundaries.

Whether in established or emerging markets, our commitment is substantial, with dedicated on-the-ground knowledge and presence.

Our lawyers are an integral, often long-established part of the business community, giving clients access to local, English and US law capabilities, plus a unique appreciation of the political, economic and geographic environments in which they operate.

At the same time, working between offices and cross-jurisdiction is second nature to us, and we have the experience, infrastructure and processes in place to make that happen, effortlessly.

We work with some of the world's most respected and well-established companies—including two-thirds of the *Global Fortune 100* and half of the *Fortune 500*—as well as start-up visionaries, governments and state-owned entities.

Local Knowledge, Global Resources

Our lawyers are adept at working within myriad legal systems, distinguishing subtle, cultural nuances and identifying local concerns while simultaneously managing larger multijurisdictional issues.

While the concept of “going global” may be a new one for many law firms, it is familiar ground for us.
