### About White & Case

White & Case LLP is a leading global law firm with lawyers in 36 offices in 25 countries, including Japan, China and Hong Kong. Among the first US-based law firms to establish a truly global presence, we provide counsel and representation in virtually every area of law that affects cross-border business. Our clients value both the breadth of our network and depth of our US, English and local law capabilities in each of our offices and rely on us for their complex cross-border transactions, arbitration and litigation. Whether in established or emerging markets, the hallmark of White & Case is our complete dedication to the business priorities and legal needs of our clients.

White & Case LLP has one of the world's top antitrust and competition practices. Clients throughout the world count on our extensive experience in cutting-edge litigation against governmental authorities and private parties, counseling on delicate questions, and comprehensive worldwide coverage of merger control regimes. Our practice covers the spectrum of contentious and non-contentious matters. White & Case has over 140 competition lawyers on the ground across many of our offices around the world, including in Tokyo. This group includes a number of high-ranking former government antitrust enforcers. Our clients include a diverse mix of pharmaceutical companies, financial institutions, energy companies, high technology, and retail companies, among others. White & Case's global competition specialists have been recognized as leaders in the field by the leading industry surveys and publications. We are currently representing several industry-leading companies in global cartel investigations with parallel criminal and civil proceedings, and are representing clients in the US on a number of high-profile US grand jury and amnesty matters.

We work with the world's most established and respected companies, including 75 percent of the *Global Fortune 100* and 25 percent of the *Fortune 500*, as well as with start-up visionaries, governments and state-owned entities.
