Our office overview

A unique combination of Swedish, English  
and US law capability in Stockholm

# White & Case in Stockholm

## Local excellence and global expertise to fulfil your legal needs.

As business continues to become more complex, and more transactions contain a multijurisdictional element, you need to know you have a law firm that has the knowledge and experience to create solutions that match your business needs.

With a unique combination of Swedish, English and US law capability in Stockholm, and a fully integrated global network of 37 offices with local law capability, we provide you with a one-stop shop for legal services.

This is cost-effective and keeps your project management issues to a minimum.

We follow changing market conditions and client demand to deliver the best possible service. This means we are constantly expanding our knowledge and our areas of knowledge in order to best meet our clients' needs.

In the corporate transactional arena, we help our clients navigate all aspects of domestic and international mergers and acquisitions (including regulatory issues), banking and finance, private equity and capital markets transactions and filings.

Across the street or around the globe, we help our clients create, build and sustain momentum in pursuit of their strategic and financial objectives.

# Creative thinking and innovative structures

---

We know the landscape in which you operate and can advise on the best way to negotiate it.

## **Workable, effective, up-to-the-minute solutions**

We draw on our worldwide network to develop cutting-edge financial products so our clients benefit from workable, effective, up-to-the-minute solutions for their issues. Our seamless relationship with other White & Case offices means we can call on local understanding in all the jurisdictions in which you operate and tailor our advice to suit your needs. Our long-established presence in Sweden means we know the landscape in which you operate and can advise on the best way to negotiate it.

We work with our clients to help them meet business challenges in today's difficult markets. For instance, sophisticated structured finance transaction techniques, which we helped to pioneer in New York and London, are being increasingly used in Scandinavia to increase financial performance and decrease financial risk.

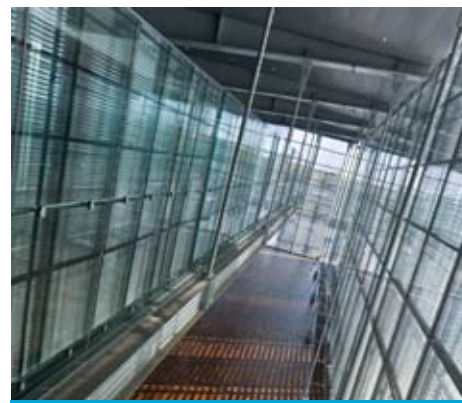

## **Thorough, knowledgeable and insightful advice to help you resolve disputes**

Our outstanding, highly experienced Swedish and global dispute resolution group will react quickly to serve your best interests in the event of a dispute matter. We have many years of experience in arbitration under the rules of the Arbitration Institute of the Stockholm Chamber of Commerce, UNCITRAL, the ICC Court of Arbitration, and other arbitration bodies around the world.

We also have considerable experience in multiple jurisdiction litigation, and immediate access to the Firm's knowledge and skill in ICSID arbitration. We also counsel, where appropriate, on all avenues of mediation and arbitration before initiating court proceedings to ensure our clients have the best possible outcome for their disputes.

# Your opportunities need the right support

---

Our understanding and knowledge of the Swedish market allows us to advise on the most effective and efficient deal structures to give you a competitive edge. Together with our Brussels and Washington, DC offices, we are at the forefront of EU and US competition law developments, influencing policies and monitoring change, so we can best advise you on how to take appropriate action.

In addition to our core business areas, our experience in areas such as intellectual property, competition, real estate, environmental and labor and employment law means that we provide you with complete and high quality legal service, whatever the matter.

Keeping abreast of and anticipating business regulation, whether it is in Sweden, across Europe or in the US, is key to remaining competitive for any business.

We work with our clients to help them meet business challenges.

# Advice tailored to your business

---

We are devoted to building long term relationships with our clients, and keep their interests at the forefront of everything we do.

We strive to understand our clients and their businesses. We work closely with you as a team, so our advice is tailored to your business and your business goals. We will always be available when you need us.

## **Your market is our business**

We appreciate the issues facing businesses in Sweden, which means that when you come to us we already have the knowledge necessary to react quickly and effectively. We have specialists in key business areas who have the experience and substantive knowledge to provide our clients with solutions tailored to their specific business needs.

## **The White & Case advantage**

The Stockholm office is an integral part of a global firm with offices across a large number of jurisdictions. Unlike loose networks or affiliations, White & Case is one law firm and truly acts as one integrated partnership, continually sharing know-how, experience and market information.

Our clients receive the full benefit of our global knowledge when they work with us in any of our offices. If your transaction runs into a problem, our lawyers will probably have encountered it somewhere else in the world and can advise on the best solution. If it's unprecedented, we draw on our track record of innovation to create a solution.

Our knowledge management experts enhance our performance by reviewing and implementing our knowledge management strategy. They organize and handle interrelated aspects of our recruiting, training, research, document production, information management and digital knowledge storage programs. Dedicated knowledge support staff collate, disseminate and leverage firm knowledge and information so that we can remain cost-effective whilst meeting our clients' needs.

We are devoted to building long term relationships with our clients, and keep their interests at the forefront of everything we do. If we already work with you in one jurisdiction, we want to work with you wherever you do business to ensure that the legal counsel you follow is consistently of the highest caliber, giving you the edge over your competitors.

## Supporting Clients Across the Globe

White & Case is a leading global law firm with lawyers in 37 offices across 25 countries.

We advise on virtually every area of law that affects cross-border business and our knowledge, like our clients' interests, transcends geographic boundaries.

Whether in established or emerging markets, our commitment is substantial, with dedicated on-the-ground knowledge and presence.

Our lawyers are an integral, often long-established part of the business community, giving clients access to local, English and US law capabilities, plus a unique appreciation of the political, economic and geographic environments in which they operate.

At the same time, working between offices and cross-jurisdiction is second nature and we have the experience, infrastructure and processes in place to make that happen effortlessly.

We work with some of the world's most respected and well-established companies—including two-thirds of the *Global Fortune 100* and half of the *Fortune 500*—as well as start-up visionaries, governments and state-owned entities.

"White & Case can handle any issue with experienced lawyers and a great global network—great depth and high quality around the world."
