White & Case  
1L Diversity Fellowship

## White & Case 1L Diversity Fellowship

The diversity of our lawyers is a source of strength, and the nature of our clients' needs requires collaboration across borders. We attract students who value learning about different cultures, experiences, languages and viewpoints. Our mission is to continue to build upon this strength and create an environment where all who work here are encouraged, assisted and inspired to reach their potential. Our commitment to inclusion has made us an employer of choice worldwide.
