i. India, Japan, Singapore, South Africa and United Kingdom data are based on April-March fiscal years.

ii. Data for Morocco available only starting in calendar year 2019 because the Moroccan Competition Council was reactivated in November 2018; Morocco's data for 2021 are based on the number of filings reported in press statements on the website of the Competition Council.

iii. Saudi Arabia's 2021 data are based on White & Case estimate from reported decisions announced by the General Authority for Competition on their website.

iv. In Peru, prior to 2021, only transactions in the fields of electricity, generation, transmission or distribution were covered by mandatory pre-notification requirements. In 2021, new legislation expanded Peru's merger control requirements to all industries.

v. "NR" indicates the jurisdiction released an annual report to the OECD that did not report the number of merger notifications.

vi. "N/A" indicates the jurisdiction has not published an annual report regarding merger notifications for that year.
