What do you consider to be the greatest threats to the profitability of your business over the next 12 to 18 months? (Select top three)

- Travel restrictions due to COVID-19
- Economic recession and/or volatility
- Disruptions caused by climate change-induced weather
- Political instability (e.g., Brexit, government shutdowns, international trade disputes)
- Management of the supply chain
- Regulation compliance and restrictions (e.g., safety regulations, training maintenance)
- Decreasing insurance capacity
- Increase in the price of oil/jet fuel
- Aging infrastructure
- Domestic and international competition
- Shortage of pilots and technicians/employee retention
