- i. India, Japan, Singapore, South Africa, and United Kingdom data are based on April-March fiscal years.
- ii. Data for Morocco available only starting in calendar year 2019 because the Moroccan Competition Council was reactivated in November 2018; Morocco's 2021 data is based on the number of filings reported in press statements on the website of the Competition Council.
- iii. Saudi Arabia's 2021 data are based on White & Case estimate from reported decisions announced by the General Authority for Competition on their website.
- iv. In Peru, prior to 2021, only transactions in the fields of electricity generation, transmission or distribution were covered by Peru's mandatory pre-notification requirements. In 2021, new legislation was passed applying Peru's merger control requirements to all industries.
- v. "NR" indicates the jurisdiction released an annual report to the OECD that did not report the number of merger notifications.
- vi. "N/A" indicates the jurisdiction has not published an annual report regarding merger notifications for that year.
- vii. 2020 Australia notifications are total number of transactions notified in FY ending 30 June 2021.
- viii. Slovenia, Lithuania, and Romania data reflects merger decisions.
- ix. Canada reflects concluded mergers, where a pre-merger notification was made.
- x. Spain reflects merger notifications for years 2015-2020, and merger resolutions for 2021 and 2022 because merger notification data is not yet available for 2021-22.
