## The framework of cluster enrollment and the cluster study process

Pre-enrollme	nt Cluster formation	Phase 1	Phase
Dra application	Cubatation /	Tranamianian	Drotaction at
Pre-application information submission	<ul> <li>Substation / transformer / feeder capacity</li> </ul>	Transmission impact	Protection stu
		Steady state voltage	Short circuit
			Stability
		<ul> <li>Steady state 'load flow' analysis</li> </ul>	Reactive capability
			Restudy steady state
