

- Changing/Uncertain regulatory frameworks
- Geopolitical risk/Environment
- /// Lack of reliable investment data
- Long procurement/construction timelines
- **Slow return on investment**
- Approvals/Permitting risk
- Lack of sufficient funding
- /// Too capital-intensive

Source: White & Case | Roland Berger *Currents of Capital 2025 Report*

- Sector labor/resource shortages
 - **M** Lack of investment opportunity
 - Low rate of equity return
